

CONGRATULATIONS!

PMHS Volunteers of the year

BENJAMIN DAMUS

Youth Volunteer of the Year

Ben is an exceptional young man whose efforts in the area of volunteer service are extraordinary. His commitment to service comes from his desire to make the community and world a better place and to fulfill what he believes what should be everyone's personal mission — to reach out to others. Ben has done this on a grand scale with more than 300 hours of service in the last 18 months. Ben's efforts are wide-spread, and reach out over a realm of venues from here at his home school to local middle school classrooms — from local St. Augustine activities to those as far removed as Habitat for Humanity in Copperhill, TN. For Ben, there are no physical limits — no boxes that confine his desire to help others. He is happy to serve, whether it is to bring a smile to his Best Buddy at school, or to be a speaker at a United Way event. He is able to bridge gender, race, ethnic, social and age barriers with ease.

TELISHA TAYLOR

Adult Volunteer of the Year

Telisha's volunteer efforts vary greatly. On average, she volunteered at least 25 hours per week for the last several years. During football season, you could find her in the concession stand during both JV and Varsity games. She also coordinated the Athletic Booster Club's sign sponsors, and hung them in the gym, on outside athletic fields, and the fences facing SR 206. During soccer and lacrosse seasons, you could find her once again in the concession stand and re-hanging sponsor signs in the stadium. In the spring of 2014, Telisha helped put together the first annual PMHS Booster Club 5K. She and a few other Booster Club members organized the race, collected donations for goodie bags, signed in participants, and more. She also has helped put together the Athletic Booster Club's annual gala to help raise money for all Falcon sports teams. Telisha recently joined full-time staff at PMHS as School Secretary and assistant to Athletic Director Terry Sapp.

SARAH PAGE

Senior Volunteer of the Year

Sarah retired in 2010 from PMHS where she worked as a guidance counselor since the school opened in 2000. Prior to that, she taught Spanish and French at SAHS from 1985 to 1991, and then became a guidance counselor. Her love of organizing, being with a great faculty, and being part of a team led her back to PMHS where she organizes and files records in the Records Room. She works tirelessly behind the scenes. Over the past year and one half, she has volunteered more than 575 hours in the windowless Records Room. Sarah has been serving in this capacity for approximately three years, and has demonstrated her commitment to PMHS not only during the school year, but also during the summer. She is an invaluable asset to PMHS and is a forever member of our Falcon Family. As one staff member says, "We'd be lost without her!"

2014 - 2015
