This week, 9th and 11th graders got hands-on with life-saving skills as they learned Hands-Only CPR. Huge thanks to SJCFR members and Pedro Menendez High School's Health Academy students for teaching this crucial skill. Great job to all involved! 🙌

Pedro Menendez High School

BUSINESS ACADEMY

Congratulations to our Entrepreneurship and Small Business winners of THE FINAL PITCH

Students worked all year on a product or idea to bring to real-world business. Thank you to the many business mentors who came to spend time offering their expertise to our students.

Sonic Solutions: Noise canceling/reducing earpiece to help all people suffering from misophonic issues.

Left to right: Wyatt Treaster, Landon Coe, Rylan Poland, DJ Moody, Lucas Douglas

Under the Bed: Never get tangled in your sheets again. This device helps keep your bedsheets in place.

Left to right: Cole Harris, Gavin Suggs, Lucas Ellison, Kyle Sikes

In the classrooms:

DIT and Entrepreneurship students are preparing for their future careers. They are focusing on industry certification of Microsoft 365 Fundamentals and Entrepreneurship & Small Business and learning essential soft skills and digital skills in Florida Ready to Work.

Congratulations to our 2024-25 VyStar employees for our on-campus credit union. These students interviewed and were selected to work at a local branch as well as run our campus branch next year during 4th period.

Construction Corner

We wish Mr. Armstrong the best as he starts a new chapter in his career at Flagler College. At this time, we have a substitute who is keeping kids learning. Students have been working on their measuring skills around campus. Then using these measurements to work on construction math. Student will start working on their communication and employability skills. Students will have the chance to earn the Florida Ready to Work Soft Skills Certificate.

Industry Partner Shout Out!

We will get this kids back in the shop as our business partners at Owen's Electric, NEFBA and KB Home are bringing in industry employees to help teach our students. Thank you for investing in our students!

Architecture and Engineering Design

Thank you for hosting our drafting students on you job site. Students made real-world connections between drafting plans and a construction build.

Students reviewing the construction drawings.

Students learning about the construction build process from our industry leaders!

Thank you to Evan Hall with The Stellar Group for being a guest speaker! Students learn how the skills they are learning now can create amazing opportunities for their future.
