2018 Falcon Boy's Golf Rules

- ✦ School work comes first.
- ✦ If you get ISS you will NOT be able to practice or play that day.
- ✦ Any calls received from teachers about your class work or behavior will result in an in-person conference or telephone call with parents to resolve the issue.
- ✦ Practice and matches, players will stretch and loosen up before hitting any balls. Team captains will lead the exercise.
- ✦ Practice with a purpose, don't just hit balls, aim for a target and use different clubs not just the driver.
- ✦ Practice sessions are just that, no playing around, and no Happy Gilmore type of playing. Any player laughing or teasing about another player hitting a bad shot shall be considered as hazing and will not be tolerated.
- ✦ Practice sessions are mandatory, contact must be made with coach to be excused. Two unexcused absences will result in missed playing time.
- ✦ While on golf course, players will act as good ambassadors of our school. They will dress accordingly i.e., shirts tucked in, hats worn with bill forward, no foul language. Team infractions will be looked into by team captains and make a recommendation to Coach, who will make the final decision
- ✦ DRUGS, ALCOHOL OR TOBACCO will NOT be tolerated and NO warnings will be given. Any infractions will result in a player, parent, Coach, and Athletic Director's conference before re-joining team. Also if a player is attending a party where alcohol, drugs, tobacco are being consumed, the player shall immediately recues self or face possible consequences.
- ✦ Keep an accurate score, if you played five shots, record all five shots, if you loose count, ask your playing partner as they should be keeping your score also. Remember it is a "gentleman's" game" and act accordingly. Any infractions, or improperly turned in scores shall result in loss of playing time. This includes practice scores.
- ✦ Player's seeding order will be based on your scores. Practice scores shall be kept by the Coach and all the scores added up shall seed the first match. Thereafter match scores will produce the seeding order. In the event of having more than 6 players on the team, the 5th & 6th seed can be challenged by the remaining players for a spot for the next match. If we have a match the next day before a player has a chance to play, the last three scores from the golf matches shall be added together to determine who will play. The Coach shall have the final decision. The Coach will also try to make sure that all players get playing time.
- ✦ Lettering shall result when a player has played in at least seven of the matches, scores used in at least six of the matches, or demonstrated good conduct and or be a valued team member far and above what was expected.
- ✦ On match days, the golf team uniforms will be worn at school; failure to do so will result in loss of playing time.
- ✦ Every player is expected to participate in fundraising activities. Failure to do so could result is loss of playing time.

Always remember we are a team representing our school. Our goal is to have as much fun as possible, while being respectful to our team members and opponents.
