Veterans Memorial Stadium

THE COMMEMORATIVE BRICK PROGRAM

Supports the Following Programs:

The Academy of Architectural & Building Sciences

The Academy of Business

The Academy of Medical and Health Careers

& the development of new academic programs at PMHS

On November 2, 2002, Pedro Menendez High School in St. Augustine, Florida, dedicated its new football, soccer, and track stadium as Veterans Stadium in honor of all veterans of the armed forces.

Now The Academy of Architectural and Building Sciences students at PMHS have designed and built a concrete wall and brick patio to further honor our veterans. As part of this effort, sections of the patio will be paved with bricks inscribed with the names of veterans, branch of service, and other information as appropriate.

Buy now or reserve your brick today and honor a veteran you know!

Bricks may be purchased at any time and will be priced at \$100 for a 4" x 8" brick and \$150 for a 8" x 8" brick. You may also have your replica shipped to you for an additional \$10 fee. All other replicas may be picked up at Pedro Menendez High School.

★ You may also designate a veterans group to receive a donation of \$25.00 from the purchase price of the brick.
