What we need from parents...

- Evaluate your child's health in the morning before they leave for school – if they have a fever or are showing any other symptoms please keep them home!
- Email attendance notes to PMHS (see website for more info)
- Help your child get organized for online learning (if applicable) with a workspace and materials. Help keep them on track by checking their grades in HAC regularly.
- Please reach out and communicate with the school if you have any concerns or questions, but please be patient with us as we all work through these uncertain times.
